Director's Letter 2024

It is my pleasure to announce the 51st **Annual Niagara ladies Retreat from March 22-24, 2024**, at the renowned White Oaks Resort and Spa, Niagara-on-the-Lake, Niagara, Ontario.

Niagara Ladies Retreat (NLR) continues to be a place of transformation, relationship building and alignment with purpose. This year we will gather under the theme **"BELOVED."** In St. Matthew 3:17 as Jesus was coming up from the water at his baptism the bible says "And suddenly a voice came from heaven, saying, 'This is My beloved Son, in whom I am well pleased.'" It is important to note that this profound affirmation came before Jesus worked a miracle or cast out a demon. God affirmed Him as His esteemed, cherished, and dear Son simply because of who He is, not because of what He's done. Jesus went on to serve from that place doing great and mighty things. As "beloved" daughters we must be convinced of God's unconditional love for us; He is not waiting for us to do something extraordinary to love us, He simply loves us because of who we are. Every challenge you face and every set back you encounter must be confronted with that truth. And like Jesus, we must live and serve from that place.
